RAKETA\_REJMYRE LOG 2008

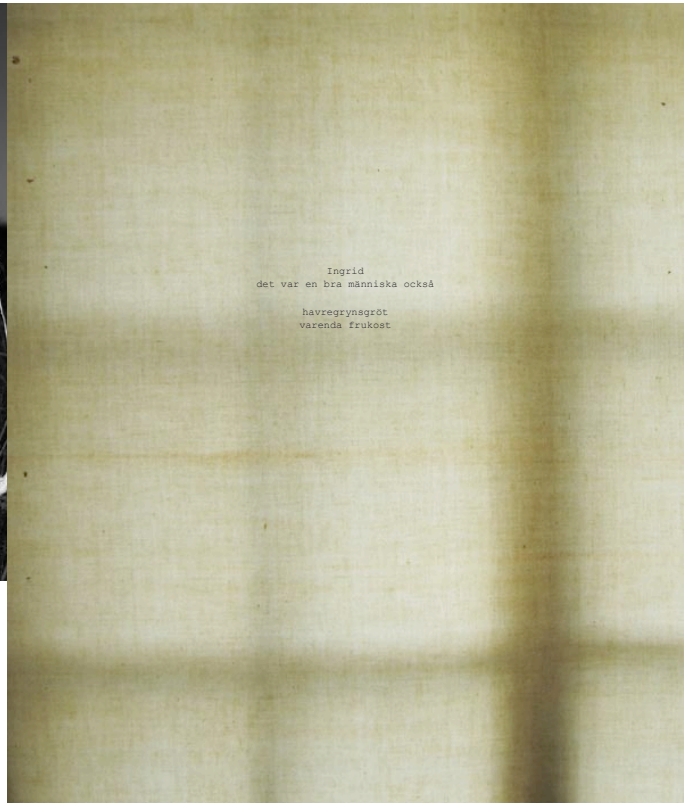

*a journey and discovering memories of: Rejmyre .*

*watching the birds made of glass, getting to know Lennart, listening to the voice of Gösta,  
following the light coming from the old gas station, trying to read the frozen words,  
and searching for snapshots in the woods.*

part of the project REJMYRE MATTERS in Rejmyre Sweden, August 23-31 2008  
run by LAND - Contemporary Art Practices .

participants: r a k e t a (SE), IC 98 (FI), Muungano (SE), Sissi Westerberg (SE),  
Kelly Marie Martin (US), Benjamin Slotterøy (NO), Daniel Peltz (US)
